**Pipeline and Hazardous
Materials Safety Administration**

DOT-SP 20907
(FOURTH REVISION)

EXPIRATION DATE: 2022-10-31

(FOR RENEWAL, SEE 49 CFR 107.109)

1. GRANTEE: Versum Materials US, LLC
Tempe, AZ
2. PURPOSE AND LIMITATIONS:
 - a. This special permit authorizes the transportation in commerce of certain non-DOT specification foreign cylinders containing dichlorosilane by motor vehicle and cargo vessel. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein. The most recent revision supersedes all previous revisions.
 - b. The safety analyses performed in development of this special permit only considered the hazards and risks associated with transportation in commerce.
 - c. No party status will be granted to this special permit.
3. REGULATORY SYSTEM AFFECTED: 49 CFR Parts 106, 107 and 171-180.
4. REGULATIONS FROM WHICH EXEMPTED: 49 CFR § 171.23(a)(1) and (3) in that DOT specification cylinders are required, except as described herein.
5. BASIS: This special permit is based on the application of Versum Materials, Inc. dated August 13, 2020, submitted in accordance with § 107.109 and additional information dated August 31, 2020.

January 22, 20216. HAZARDOUS MATERIALS (49 CFR 172.101):

| Hazardous Material Description | | | |
|---------------------------------------|-------------------------------|------------------------------|-------------------------|
| Proper Shipping Name | Hazard Class/ Division | Identification Number | Packing Group |
| Dichlorosilane | 2.3 | UN2189 | N/A Hazard Zone B |

7. SAFETY CONTROL MEASURES:

a. PACKAGING: Prescribed packaging is non-DOT specification 316L stainless steel welded cylinder, which is designed, manufactured, and tested in conformance with the Japanese Gas Law by Koatsu Showa Cylinders Co., Ltd. Cylinders must be in conformance with drawing EW.4.60101 on file with the Office of Hazardous Materials Safety Approvals and Permits Division (OHMSAPD).

b. OPERATIONAL CONTROLS:

(1) Cylinders must be shipped in accordance with the provisions of § 173.40(d) applicable to DOT specification and UN cylinders. The filling ratio must not exceed 0.90.

(2) The shipping paper must identify the cylinders with the special permit number "DOT-SP 20907".

(3) Versum Materials US, LLC must act as the offeror (shipper).

(4) Emergency response information provided with the shipment and available via an emergency response telephone number must indicate that the cylinders are not fitted with pressure relief devices and provide appropriate guidance for exposure to fire.

(5) This special permit is limited to import shipments of 60 cylinders per month direct to the customer and 60 returned from the customer with residual charge to the supplier. These cylinders may not be filled in the United States. If the total number of cylinders that

January 22, 2021

are shipped exceeds the previously stated values, Versum Materials US, LLC must notify the OHMSAPD and request authorization in writing to exceed the monthly limit.

(6) This special permit may not be used after October 31, 2022. Continued use of this special permit will not be authorized under § 107.109(b).

(7) Cylinders authorized under this special permit may be transported by cargo vessel only when loaded into closed cargo transport units.

8. SPECIAL PROVISIONS:

a. A current copy of this special permit must be maintained at each facility where the package is offered or reoffered for transportation.

b. MARKING: The outside of each package must be plainly and durably marked "DOT-SP 20907".

c. Any person who receives a package covered by this special permit may offer it for transportation when it contains only a residue of the authorized material, provided no modification or change is made to the packaging and the package is transported only to the grantee in accordance with this special permit. Securing a closure on the package in accordance with the closure instructions prior to offering the package for transportation does not constitute a modification or change to the packaging.

9. MODES OF TRANSPORTATION AUTHORIZED: Motor vehicle and cargo vessel.

10. MODAL REQUIREMENTS: A current copy of this special permit must be carried aboard each cargo vessel and motor vehicle used to transport packages covered by this special permit.

11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:

January 22, 2021

- o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
- o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.
- o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) – "The Hazardous Materials Safety and Security Reauthorization Act of 2005" (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term "exemption" to "special permit" and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of this special permit must notify the Associate

January 22, 2021

Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.

Issued in Washington, D.C.:

for William Schoonover
Associate Administrator for Hazardous Materials Safety

Address all inquiries to: Associate Administrator for Hazardous Materials Safety, Pipeline and Hazardous Materials Safety Administration, U.S. Department of Transportation, East Building PHH-30, 1200 New Jersey Avenue, Southeast, Washington, D.C. 20590.

Copies of this special permit may be obtained by accessing the Hazardous Materials Safety Homepage at http://hazmat.dot.gov/sp_app/special_permits/spec_perm_index.htm Photo reproductions and legible reductions of this special permit are permitted. Any alteration of this special permit is prohibited.
